1. What did you do following graduation from AFHS?
  - Workforce
  - Further education
  - Military
  - Entrepreneur
  - Family
  
2. Did your career choices change over time? How?
  
3. Include examples of recognitions, awards, achievements, or accomplishments that best reflect your life journey.
  
4. How did the Adams-Friendship School District *Prepare You to Perform for Life*? Feel free to include academic experiences in elementary and middle school as well as high school. Were there experiences that didn't seem significant during your K-12 years that became increasingly valuable in adulthood?
  
5. What advice do you have for students as they approach and move through their high school years? What do you know now that you wish you had known then?

If you are selected by the Hall of Fame for induction, what you submit will be published (edited if necessary for length, etc.) in the Hall of Fame Program, on the A-F Educational Foundation Facebook and web pages and in our local newspaper.
